YEAR 6 NEWSLETTER

8th September 2017

Dear Parents / Carers

Welcome Back to Bevendean – we hope that you all had a good Summer. It has been great to see the children returning to school so excited about their learning.

What we are learning this term

Our History topic this term is "Ancient Greece" and this will be the basis for much of the work that we do. This includes learning about the various Gods and Goddesses; examining how different people lived in ancient Greece; learning about the origin of the Olympics and looking in depth at some myths and legends. In English, we will be doing some writing based around Greek myths as well as pieces linked to the children's assembly. For Maths, we will begin working on a variety of projects using the mathematical skills they have developed throughout the year. We will also be doing some Maths linked to our topic where possible. In Art, we will be making some Greek inspired pottery as well as looking at the work of Giacometti. In Science, we will be learning about the human body and how it works.

Expectations

Year 6 are used as role models for the rest of the school so it is important for them to set a good example. This may include following instructions given by adults, moving around school sensibly and quietly, showing good learning behaviour, wearing full school uniform and showing respect to others. The school's Golden Rules are there to remind children of our expectations of them.

Uniform & Jewellery

It has been great to see so many children in the correct school uniform and shoes (plain black only please) this term. Please ensure that your child has the correct uniform every day of the school year. In addition, rings, bracelets and necklaces are not allowed. Earrings should be studs or hoops, but no bigger than a 5p piece.

Attendance

As you know, much of the work we do in class is built on day by day; therefore it is vital that the children are in school as much as possible and on time for the start of the school day (8.55am).

Dates for the Diary
