Pupil Updates – Permissions

Update: The letter below was sent out on Tuesday 1st February. Our local newspaper, The Argus, will be coming to school on World Book Day to take photos of children in their fabulous outfits. Only children whose parents / carers have updated school permissions (item 7 below) will be able to have their photo taken on the day. Deadline: Monday 28th February, 2022.

Throughout the school year, planned events and activities might require certain permissions from parents / carers, for example, the local paper may wish to have a photo of children participating in a school event.

For many of these event, parents / carers need to ensure that 'permissions' are up-to-date. Permissions can be updated using the ScholarPack Parents App. Parents and carers will be provide with a list of 'permissions' (see below). Permissions are something that you allow, consent the school to do e.g. you allow us to take photos of your child and use them in the school Newsletter. Once we receive your 'permissions request' via the App, the school updates our records – it is very quick and simple to do.

The current permissions selections are:

- | | |
|----------------------------------|---|
| 1. Appear in Year 6 Leavers' DVD | 7. Photos Taken by the Press |
| 2. Audio on School Website | 8. Photos Taken in School |

| 4. Internet Access | 10. Video Recorded in School for School Use |

The ScholarPack Parents App is available from the [Apple App Store](#) and [Google Play Store](#).

If you have not yet downloaded the ScholarPack App, then please contact Natalie or Debbie in the school office, and they will ensure you receive your Linkup Code; and you use your mobile phone to access your account.

Thank you in advance.
