Assistant Headteacher: Miss. S Miller

A place for everyone to succeed and thrive

COVID-19 Contact EASTER 2021

Track and trace over the Easter break for Bevendean Primary School and Nursery

The following advice has been sent to schools by the Department of Education to share with parents and staff about reporting positive test results over the Easter break. Please read it all carefully.

- Where a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms more than 48 hours since being in school, the school should not be contacted. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace. So, if your child is symptomatic from Sunday 4th April and then tests positive, you DO NOT need to notify the school until we return for the Summer term.
- For the first 6 days after teaching ends, if a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school, the school is asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school. So, if your child is symptomatic on Friday 2nd April or Saturday 3rd April, and you subsequently get them tested, and they have a positive result, you MUST notify the school by completing this online form.
- The phone lines will not be manned at all during the holidays, so any contact you need to make with the school regarding the above, must be done via this online form. The school will check the online form at 3.00pm daily and be in touch with families as needed.

[Click Here](#) to access the Online Form or use the linked QR code.

If your child tests positive after 3.00pm Wednesday 7th April, you can update us when we return to school.

Yours faithfully,

BEVENDEAN PRIMARY SCHOOL
