A place for everyone to succeed and thrive

YEAR 6 SUMMER NEWSLETTER

29th April 2022

Dear Parents / Carers,

Welcome Back to Bevendean – we hope that you all had a good Easter break. It has been great to see the children returning to school ready to continue working hard.

What we are learning this term

Our Geography topic this term is India and this will be the basis for much of the work that we do. This includes learning about the experience of living in a different part of the world and how it compares to our lives. In English, we will be writing information texts, letters regarding issues around living in some areas of India and some poetry, as the children were so good at it last term. For Maths, we will be focusing on revision until after SATS and then we will be working on some maths projects. In art, we will be doing screen printing and in Design & Technology we will be making products for Enterprise Week (see below). In Science, we will be learning about Electricity.

Broadstone Warren

We are very pleased that so many children have signed up to come to Broadstone Warren, 4th – 7th July. We are so excited about it and are looking forward to going. Please make sure payments continue to be paid via ParentPay. If you are having trouble paying, please speak to Miss Miller or Miss O'Neill.

Enterprise Week

During the week beginning 8th July, we will be holding an Enterprise Week. This is an opportunity to make products in small groups and sell them to raise money for our end of term Leaver's Trip. We will send home a letter closer to the time about resources we will need to be donated.

Leavers

The Year 6 Leaver's assembly will be held at 12.30pm on Tuesday 19th July. We will send out further information closer to the time.

Yours faithfully,

Miss O'Neill
