

New After School Club for pupils attending Bevendean Primary School – Starting January 2017

Dear Parents/Carers

As you may be aware the after school club, Groovy Gang stopped running at the end of the summer term.

There will be new privately run after school club (not a school provision) to be run from Bevendean Primary School. **School's Out** will offer good quality, motivating, fun and diverse activities, at the attractive price of £10.00 per session (3.15pm – 5.15pm). All children from the age of 4 years old may attend within these hours, but may attend no longer than two hours per day. Concessions/special prices are made for siblings attending and children attending from 4.15pm only. Please see the separate tariff sheet with the application form.

You will have peace of mind that your children are being looked after at the end of their school day and enjoying themselves at the same time. A healthy snack will be provided.

If you are interested in enrolling your child or would like further information please contact me at SchoolsOutBev@outlook.com.

Important Information - although the after school activities club, Schools Out, will take place on the school premises it will be run as a completely separate entity to Bevendean Primary School.

Kind regards

Deborah Earle
