## A place for everyone to succeed and thrive

### Sports Premium Funding 2020 - 2021

The school has been in receipt of additional government funding specified as 'Sport Premium' since its introduction in September 2013. As a school we will be held accountable for how we have used the additional funding and from April 2014 we are required to publish online information regarding how we have used the Sport's Premium and the impact it has made. To meet this requirement the following information has been produced which sets out the amount of Sport Premium we will receive and how we intend to use it. Bevendean Primary School will receive the total of £18,980 for 2020 - 2021.

- 7/12 of (£18,910) the funding will be received by the school on 30 October 2019 - £11,072

- 5/12 of (£18,910) the funding will be received by the school on 30 April 2020 - £7,908

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

#### This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

#### The 5 key indicators that we would expect to see an improvement in are:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

\* Guidance on the allocation and use of the PE and Sport Premium can be found on the DfE website at: <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools#funding-for-2018-to-2019>

#### Online reporting

You must publish details of how you spend your PE and sport premium funding by the end of the summer term or by 31 July 2019 at the latest. This is different to last year's reporting deadline. Online reporting must include:

- the amount of premium received
- a full breakdown of how it has been spent
- the impact the school has seen on pupils' PE, physical activity, and sport participation and attainment
- how the improvements will be sustainable in the future

You are also required to publish the percentage of pupils within your year 6 cohort in the 2018 to 2019 academic year who met the national curriculum requirement to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations

Attainment data for year 6 pupils should be provided from their most recent swimming lessons.

This may be data from years 3, 4, 5 or 6, depending on the swimming programme at your school.

## Reporting and Evaluation

Key achievements to date:	Areas for further improvement and baseline evidence of need:
1. Development of the daily Mile from September 2019 2. There has been increased participation in city-wide sports tournament involvement 3. A far greater / broader experience of a range of sports and activities offered to pupils 4. Changes to the structure of swimming provision has been successful with increased skill development	1. Monitoring and development of teaching & learning since the school is no longer using the CPD model from the last two years. 2. Further development of the 'Active Mile' and playground allocation – especially for an all year round provision 3. Playground development: EYFS / Key Stage 1 as a priority

Meeting national curriculum requirements for swimming and water safety * <i>Children completed swimming in Year 5: Autumn Term 2019</i>	Please complete all of the below:
1. What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your children may swim in another year please report on their attainment on leaving primary school.	- Whole Cohort = % - 5T = % - 5N = %
2. What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	- Whole Cohort = % - 5T = % - 5N = %
3. What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	- Whole Cohort = % - 5T = % - 5N = %
4. Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	
<b>NB:</b> Due to the pandemic, all classes were not able to complete the full cycle of swimming for the academic year. Lost swimming tuition will be implemented from September 2021.
